

## How to Create an Account in the Child Passenger Safety Learning Portal

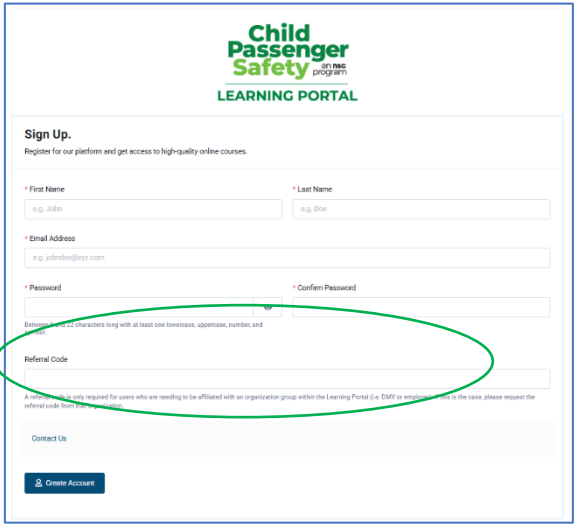

- Go to [www.carseateducation.org](http://www.carseateducation.org) and click “login”

- Click “Create an Account”

- Once you click “create an account”, you can create your free account in the [Child Passenger Safety Learning Portal](#). Enter your first name, last name, email, create a password, use referral code WICPS and click “create account”

- Select the course assigned, click “enroll” and “launch course.”
