

Southeast Wisconsin Booster and Car Seat Installation Stations

Appointments required, no walk-ins. **Stations marked with an asterisk only serve those who live within their communities.

Due to limited resources and ongoing demands, there may be times when the listed organizations are unavailable to provide car seat services.

Contact each organization to learn more about how they are providing car seat education and installations.

Many car seat manufactures offer virtual appointments and all provide customer service to help with installation.

ALL COUNTIES

Children's Wisconsin
Booster and Car Seat Clinic
